Finished Quilt Size: 40-1/2” x 58-1/2”

Be sure to read through instructions before beginning. Cutting instructions include 1/4” seam allowance. Yardage is based on 42” of usable fabric width. All strips are cut across the width of fabric (WOF) unless otherwise stated. Press all seams as you assemble your blocks. Border lengths given are exact measurements. You may want to cut borders slightly longer to allow for variations in seams and mitering corners.

*Note: This pattern assumes a basic knowledge of paper piecing.
