Block Sizes: 11-3/4" Finished (12-1/4 Unfinished)

Be sure to read through instructions before beginning. Cutting instructions include 1/4" seam allowance. Yardiage is based on 42" of usable fabric width. All strips are cut across the width of fabric (WOF) unless otherwise stated. Press all seams as you assemble your blocks. Border lengths given are exact measurements. You may want to cut borders slightly longer to allow for variations in seams and mitering corners.

**Finishing:**
"Before adding a border, it is always a good idea to measure the quilt. Measure down the middle and then a few inches in from either side. If the numbers differ, take the average measurement.

**Outer Border:**
From Gardenara Navy - Cut (6) 2-1/2” x WOF strips.
Sew the strips together to create a single strip. From this strip, cut two strips equal to the top and bottom measurements of the quilt. Add these strips to top and bottom. Measure quilt again and cut the remaining strip into two strips equal to the side measurements of the quilt. Attach one to each side of the quilt.

**Binding:**
From Haruko Pink - Cut (6) 2-1/2” x WOF strips.
Sew the strips together to create a single strip. Fold in half lengthwise, press and attach to sides of quilt after quilting.
