Be sure to read through instructions before beginning. Cutting instructions include 1/4” seam allowance. Yardage is based on 42” of usable fabric width. All strips are cut across the width of fabric (WOF) unless otherwise stated. Press all seams as you assemble your blocks. Border lengths given are exact measurements. You may want to cut borders slightly longer to allow for variations in seams and mitering corners.

The blocks should measure 7-1/2” unfinished (7” finished).

Finishing:
“Before adding a border, it is always a good idea to measure the quilt. Measure down the middle and then a few inches in from either side. If the numbers differ, take the average measurement.

Inner Border:
From Banner Day White:
Cut (2) 2” x 35-1/2” strips. Sew the strips to the top and bottom of the quilt.
Cut (3) 2” x WOF strips. Sew the strips together to create a single strip. Subcut into (2) 2” x 46-1/2” strips. Attach these strips to the sides of the quilt.

Outer Border:
From Under the Sea Lt Blue:
Cut (2) 4-1/2” x 38-1/2” strips. Sew the strips to the top and bottom of the quilt.
Cut (4) 4-1/2” x WOF strips. Sew the strips together to create a single strip. Subcut into (2) 4-1/2” x 54-1/2” strips. Attach these strips to the sides of the quilt.

Binding:
From Mermaid Pink:
Cut (6) 2-1/2” x WOF strips. Sew the 2-1/2” strips together to create a single strip. Fold in half lengthwise, press, and attach to sides of quilt after quilting.
