Be sure to read through instructions before beginning. Cutting instructions include 1/4” seam allowance. Yardage is based on 42” of usable fabric width. All strips are cut across the width of fabric (WOF) unless otherwise stated. Press all seams as you assemble your blocks. Border lengths given are exact measurements. You may want to cut borders slightly longer to allow for variations in seams and mitering corners.

Lay cut blocks into rows per the Quilt Diagram. Sew together. Sew rows together per Quilt Diagram.

**Outer Border:**

"Before adding a border, it is always a good idea to measure the quilt. Measure down the middle and then a few inches in from either side. If the numbers differ, take the average measurement.

From Wild Cats White - Cut (6) 4-1/2” strips by WOF. Measure the top and bottom of the quilt. Cut (2) of the 4-1/2” strips to that size and attach to the top and bottom of the quilt. Sew the remaining strips together to create a single strip. From this strip, cut two strips equal to the side measurements of the quilt. Add these to the sides of the quilt.

**Binding:**
- From Feline Faces Pink - Cut (6) 2-1/2” x WOF strips.
- Sew the strips together to create a single strip. Fold in half lengthwise, press and attach to sides of quilt after quilting.
