Finished Quilt Size: 56" x 64"

Be sure to read through instructions before beginning. Cutting instructions include 1/4" seam allowance. Yardage is based on 42" of usable fabric width. All strips are cut across the width of fabric (WOF) unless otherwise stated. Press all seams as you assemble your blocks. Border lengths given are exact measurements. Piecing Instructions:

The quilt will be assembled in 5 vertical rows with sashing strips in between. Start with the 1st vertical row and move toward the right. Some adjustments may need to be made on the final trimmings of each row dependent on the fussy cutting and sewing done during the piecing phase.

Follow the diagram for row assembly. Once all vertical rows have been assembled you will sew a sashing strip of the Halloween Bunting print to the right of row 1 and press well. Now sew row 2 onto the sashing strip. Continue separating each row with sashing strips of the Halloween Bunting print. Once all 5 vertical rows have been joined sew a Glory Days strip to both the left and right sides of the quilt top; followed by the top and bottom borders.

Finishing
