Be sure to read through instructions before beginning. Cutting
instructions include 1/4” seam allowance. Yardage is based on

fabric (WOF) unless otherwise stated. Press seams as you
assemble your blocks. Border lengths given are exact measure
ments. You may want to cut borders slightly longer to allow for
variations in seams and mitering corners.

**Before adding a border, it is always a good idea to measure the quilt. Measure down the middle and than a few inches in from either side. If the numbers differ, take the average measurement.

Border:
From Baby Goats White - Cut (5) 3-1/2” x WOF strips. Measure top and bottom of quilt and cut two strips equal to that measurement. Attach to top and bottom. Sew the remaining strips together. Measure quilt again and cut two strips equal to side measurements of quilt. Attach one to each side of the quilt.

Binding:
From Clover Chicks Celery - Cut (6) 2-1/2” x WOF strips for binding. Sew the 6 strips together to create a single strips. Fold in half lengthwise, press and attach to sides of quilt after quilting.
